

## Hult International Business School is offering unique scholarship opportunities to Moldovan students

Hult, in partnership with Excel Consulting, will be offering **2 Scholarship** opportunities for students who apply to Hult's international Master programs before **Sunday, July 7, 2013**.

More than GBP 20,000 will be awarded in merit scholarships to top Moldovan students, distributed according to the following percentage:

- 2 Master scholarship worth 40% of tuition fees
- Other awards will be given to students that qualify

### Why choose Hult?

- The world's largest business school
- One Year MBA & Master Programs
- Opportunities to study in 3 of our international campuses during the one year program: London, Dubai, Shanghai, San Francisco, Boston, New York and São Paulo
- Top 10 in the world for International Business and International Experience according to the Financial Time Rankings.
- 1<sup>st</sup> in Post Graduate Percentage Salary Increase
- International Campus Rotation
- 135 nationalities
- Action Projects with leading world companies
- Master Concentrations in International Marketing, International Business, International Finance, and Social Entrepreneurship

**Scholarships** are distributed primarily on the basis of academic achievement, business acumen and future leadership potential. It is important that applicants apply to scholarship and financial aid as early as possible, as availability of awards is limited.
